INDIANA CONTINUING LEGAL EDUCATION FORUM ESTABLISHES SCHOLARSHIP WITH THE INDIANA BAR FOUNDATION

The Indiana Continuing Legal Education Forum (ICLEF) has established an endowed scholarship fund at Indiana Bar Foundation with a generous \$50,000 contribution to allow attorneys experiencing financial hardship to attend necessary continuing legal education seminars.

The ICLEF Endowed Scholarship Fund will allocate annual funding to cover the costs of registration and materials for attorneys selected through an application process to attend ICLEF seminars. Applicants must be members in good standing of the Indiana State Bar Association and submit an application to the Indiana Bar Foundation including a description of their need for the scholarship request addressing any financial, family, health or other factors that necessitate the receipt of the scholarship and how the particular ICLEF course will benefit the individual and his or her law career.

“This is a great opportunity for members of Indiana’s legal community. ICLEF strives to meet the educational needs of attorneys and this scholarship fund provides much needed relief to those facing a financial crunch. The Indiana Bar Foundation and ICLEF are pleased to collaborate to further both our organizations’ missions and serve the members of the Indiana Bar,” said Rich Eynon, President of ICLEF and Charles Dunlap, Executive Director of the Indiana Bar Foundation in a joint statement. Applications are accepted year round by the Indiana Bar Foundation.

Attorneys interested in more information about the scholarship may contact the Indiana Bar Foundation at (800) 279-8772 or download an application form at <http://www.inbf.org/Pages/documents/ICLEFScholarshipApp.pdf>.
